INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Ship's name and no.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* — The answer in this column should be expressed in years; months, the latter applying only to those under 1 year of age.

Column 4. *Sex.* — The entry should be either M (male) or F (female).

Column 5. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, statistician, clerk, bookkeeper, dressmaker, engraver, painter, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not laborer, polisher, molder, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed by the former.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Seamen, passengers should make this declaration on the manifests and corrections should be made by the inspector, by interpreter, or by clerk during the period of examination of alien arrivals.

Column 7. *Able to read.* — This column is to be ruled and contains the following question: Can the alien read? (or if exemption is claimed, upon what ground?). In answering this question the alien is to be asked to read a few words of the language or dialect he says he can read. It often is impossible to read and characters from the mother tongue of the alien, the ground for such exemption should be given.

Column 8. *Nationality.* — Question 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people of which the alien is a member.

Special attention should be paid to the distinction between race and the country of which a citizen or subject; country of last permanent residence and country of birth; and manner in which entry should be answered by reference to the list on the reverse. For instance, France (appearing under the head of country, does not mean French, by race or people, and similarly, French appearing under the head of race or people does not mean France by country. An Irish, German, or Hebrew alien by race may, as to country, come under the head of England, Scotland, or any other country. In this connection the following observations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negro.

WEST INDIAN.

West Indian refers to the people of the West Indies other than Cuban, other than Haitian or Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America, and to descendants of Spanish parentage, not Negroes.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether native born or descendants born of the West Indies, South or South America, Europe, Africa, Asia, Australia, or elsewhere, of the African Negro, should be classed under this heading.

ITALIAN (NORTH).

The people who are natives of that part of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that part of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Emilia, Romagna, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual organized residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries on this line should show the country and city or town of last permanent residence. It is important for statistical purposes that data on this subject accurately show country of last permanent residence independent of country of birth, nationality, or race.

Country of last permanent residence of alien who are permanent residents of the United States and who return to a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intention to be a resident of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. *Whether having a ticket through to final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether in possession of $50 and if less how much.* — The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. *Whether ever before in the United States, and if so, when and where.* — The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as "1891, Philadelphia."

Column 17. *Whether going to join relatives or friends, and if so, what relatives or friends.* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 31. — These questions are self explanatory and the answers, like all others on the sheet, are subject to review by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, DR P. AVLAMIS, Surgeon of the S.S. "MEGALI HELLAS," Piraeus, do solemnly, sincerely, and truly swear that I have had 23 years' experience as a Physician (State whether "Surgeon" sailing therewith" or "employed by owners thereof," as the case may be)

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, L. MAZARIS *(State whether Master, First, or Second Officer), of the* S/S MEGALI HELLAS *, from* Piraeus *, Greece, do solemnly, sincerely, and truly* swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 29 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

L. Mazaris

Master Officer.

Sworn to before me this NOV 25 1929 *day of* , *19*

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship line should make no entries in this column. The space is for use of Government officials.

Column 4. *Age.*—Ages as given in this column should be expressed in years if over one year, or in months if under one year. Children under 1 year old should be entered as of 0 years.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien at the time of arrival, as for example: Cabinetmaker, stonecutter, blacksmith, merchant, carpenter, laborer, engineer, tailor, seamstress, housekeeper, clerk, stenographer, brass polisher, steel polisher, tool molder, wood turner, etc. Do not use such indefinite terms as "laborer" or "servant" unless the person has no trade, and simply describes himself as a laborer, farmer, or servant. Do not abbreviate.

A married woman should be rated between farmers and farm laborers, regardless of the amount of money she owns, as her husband may be a farmer, either for himself or for others.

A farmer owns and operates a farm, either for himself or for others.

A farm laborer works on a farm for the man who operates it.

A gardener cultivates land, generally for the purpose of raising vegetables, fruits, and flowers for sale.

A planter owns or operates a plantation, usually one producing sugar, cotton, tobacco, rice, or fruit.

A stockman owns or tends cattle, sheep, horses, or other animals.

Persons following mining as a means of livelihood should be specifically described as miners, coal miners, quartz miners, gold miners, etc. The term "miner" alone is not sufficiently descriptive.

Laborers in or about mines, factories, or workshops should be described as such, specifying the nature of the establishment in which employed, as for example: Laborer in coal mine, laborer in cotton mill, laborer in machine shop, etc.

Persons formerly engaged in any occupation, but incapacitated from following it, should be returned as laborers, with a note of the occupation at which they were formerly employed.

Read with column 9. If ever in prison or almshouse, or supported by charity, specify which, and explain circumstances. If in prison at time of sailing, port should be stated. If there is any doubt as to the admissibility of any alien, the immigrant inspector should be notified, and the case presented for such examination as should be given.

Column 8. *Nationality.*—Answer to question 9 should be construed to mean the country of which alien is then a citizen or subject.

Column 10. *Race or people.*—See last 3 pages printed on back of this sheet. The entry should show the race or people of which each alien belongs.

Special attention should be given to the entry to be entered under this column, and the correct classification should be obtained from each alien. The word "race" is frequently used incorrectly to indicate nationality, country of birth, or country of which citizen or subject. The immigrant inspector at the port of arrival is required by law to determine the race or people to which each alien belongs, and the value of the data depends entirely upon the correctness with which this is done. For instance, Irish, Scotch, English, French, Germans, Italians, Spaniards, Portuguese, Swedes, Norwegians, Russians, Finns, Turks, Armenians, Syrians, Arabs, Hindus, Mexicans, and natives of the West Indies, Central America, South America, Asia, Africa, Australia, and the islands of the Pacific should be entered as belonging to the race or people to which they belong, and not merely as citizens of the countries from which they come. Thus, natives of Ireland should be entered as Irish, not British; natives of Wales as Welsh, not British; natives of Scotland as Scotch, not British; natives of France as French, not Alsatian, Breton, Basque, Provençal, etc.; natives of Germany as Germans, not Bavarian, Saxon, Hessian, Prussian, Wurttemberger, etc.; natives of Italy as Italians, not Tuscan, Neapolitan, Roman, Sicilian, etc.; natives of Spain as Spanish, not Andalusian, Catalonian, Castilian, Navarrese, etc.; natives of Portugal as Portuguese, not Madeiran, Azorean, etc.; natives of Sweden as Swedes, not Dalecarlian, Gothic, etc.; natives of Norway as Norwegians, not Lapps, Finns, etc.; natives of Russia as Russians, not Great Russians, Little Russians, Finns, Lithuanians, Esthonians, Livonians, Courlanders, Poles, Jews, Georgians, Circassians, Tartars, etc.; natives of Turkey as Turks, not Armenians, Syrians, Arabs, Greeks, Albanians, Montenegrins, Bulgarians, Roumanians, Servians, Croatians, Slavonians, Dalmatians, Bosnians, Herzegovinians, etc.; natives of Asia as Asiatics, not Hindus, Mongolians, Japanese, Chinese, Siamese, Malays, Filipinos, etc.; natives of Africa as Africans, not Egyptians, Moors, Arabs, Kaffirs, Hottentots, Zulus, Fulahs, Berbers, Abyssinians, Soudanese, Nubians, Libyans, Tripolitans, Tunisians, Algerians, Senegambians, Liberians, Guinea Negroes, Kongolese, Benguelans, Mozambiques, Madagascans, etc.; natives of Australia as Australians, not Tasmanians, New Zealanders, Papuans, etc.; natives of the islands of the Pacific as Pacific Islanders, not Hawaiians, Samoans, Tongans, Fijians, Solomons, Marshalls, Carolinians, Ladrones, Society Islanders, Paumotus, Gilberts, Marquesans, Low Archipelagoans, Australians, Tasmanians, New Zealanders, Papuans, etc.

In connection the following are considered as separate races or peoples:

CREEKS.

The term "Creek" refers to the Creek people and not to the Creek Nation.

WEST INDIAN.

West Indian refers to the people of the West Indies and not to the color or race.

SCOTCH AND SCOTCH-IRISH.

Scotch and Scotch-Irish are considered the people of Scotland and their descendants, and not merely citizens of Scotland.

AFRICAN (BLACK).

African (black) refers to the Negro race. Natives of the West Indies, Central America, South America, Europe, or Africa of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, or elsewhere, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marche, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or intended residence of one year shall constitute permanent residence.

Column 12. *Whether going to join relative, and name and address.*—The entries should show the last permanent residence regardless of length of actual residence therein. The entries should be the last permanent residence, even if in a foreign country, and not merely the last town or city. It is important for the information of the immigrant inspector that the entry should clearly show country of last permanent residence independently of country to which alien may have immigrated, country of birth, nationality, or race.

Columns 13 to 15. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not the alien has been previously admitted to the United States as a permanent resident. Aliens who are not permanent residents should be asked "United States?"

Column 16. *Whether going to join relative, and name and address.*—The answer to this question should show whether or not the alien has any relative living, and if so, give name and address of such relative. If no such relative living, give name and address of friend.

Column 17. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the city or town and State of intended future permanent residence, if within the United States; country, if outside the United States.

Column 19. *Whether ticketed to final destination.*—The answer should be either Yes or No.

Column 20. *By whom passage paid.*—The entry should show definitely by whom passage was paid, as self, father, mother, husband, brother, other relative, friend, steamship company, etc.

Column 21. *Whether in possession of railroad ticket, and if less than $50, how much.*—The answer should give in each case the amount of money, if less than $50, in the possession of the alien, and if more than $50 the fact should be stated. In the case of a family the head of the family should testify for the entire family, the amount of money shown for each member of the family.

Column 22. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not the alien has been previously in the United States, and if so, when and where (as, for example, Yes, 1907, Philadelphia; or No).

Column 23. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether alien is going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 24 (33). *Remarks.*—The questions are self-explanatory and the answers, like all others on the sheet, are subject to inspection by the officers in the examination of aliens. However, in answering question 24, if alien has been deported within one year and the Secretary of Labor has authorized him to apply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. *Sex.*—The entry should be either M, male, or F, female.

Column 5. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, "civil engineer, dairy farmer, etc." Do not enter "laborer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc.," and do not enter "engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money the latter possess.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

A separate line should be used for each person, and no ditto marks should be made in this column.

Stewardesses on passenger vessels should make this distinction on the manifests, and corrections should be made where necessary by inspectors and vessels' clerks during the preliminary examination of such aliens.

Column 8. *Can read and write.*—This column is subdivided and contains the following question: Can read what language (or, if exemption be claimed upon what ground)? In answering this question the word "yes" or "no" should be used. If the alien is able to read, should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject. Country of last permanent residence and country of birth, and nearest of kin should be carefully noted by inspectors and the entry correct in this regard. For instance, France, appearing under the head of country, does not mean "French" by race or people, and, similarly, "French" appearing under the head of last permanent residence does not mean France by country. An Irish, German, or Hebrew alien by race or people, coming under the flag or authority of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

West Indian" refers to the people of the West Indies, other than Cubans or Negroes.

SPANISH AMERICAN

Spanish American" refer to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether native or naturalized, of the West Indies, South or South America, Europe or Africa. Mulattoes with a trace of white blood of the African Negro will be classed under this heading.

ITALIAN, NORTH

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should be the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of person in whose country alien came.*—The entry should be name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having ticket to such final destination.*—The answer should be either Yes or ticket or No or no ticket.

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, 1897, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to rejection by inspectors or others in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, DR P. AVLAMIS, Surgeon of the S/S "MEGALI HELLAS," Andros, do solemnly, sincerely, and truly [illegible] that I have had 23 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 32 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

[illegible]

Sworn to before me this [illegible] day of NOV 25 1929, 19

at NEW YORK

NOTE.—If a surgeon sails with the vessel this affidavit and verification will be executed by the [illegible] and if there is no surgeon the affidavit will be executed by the master of the vessel as the case may be.

If a surgeon sails with the vessel, the affidavit and verification shall be executed at the port of departure by the [illegible] authorized to administer oaths.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2, *Head tax status.* — Steamship lines need make no entries in this column. The space is for use of Government officials only.

Column 4, *Age.* — The answer in this column should be expressed in years or months, the latter applicable only to those under 1 year of age.

Column 5, *Sex.* — The entry should be either M, male, or F, female.

Column 6, *Married or single.* — The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7, *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, lace manufacturer, weaver, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply laborer, engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money each alien has.

A farmer is one who operates a farm either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examination of aliens at ports.

Column 8, *Nation[illegible] and race.* — This column is subdivided and contains the following question:

Race [What European race (or if exemption is claimed, state what grouping).]" In answering this question the alien can not be expected to be able to read and understand the reading matter that may be found for such exemption should be given.

Column 9, *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10, *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and deputy clerks in this regard. For instance, "France" appearing under the heading "country does not mean "French" by race or people, and, similarly, "French" appearing under the heading of race or people does not mean "France" by country. An Irish, German, or Hebrew alien may or may not properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

West Indian refers to the people of the West Indies, other than Cuban or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK

"African, black" refers to the African Negro who becomes immigrant, or to the native of the islands of the West Indies, South or South American or European or African. An alien with characteristics of the African Negro should be classed as a negro, regardless of country.

ITALIAN, NORTH

The people who are native to the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 11, *Last permanent residence.* — Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and return to them from a visit abroad should be recorded "United States."

Column 12, *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13, *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to final destination.* — The answer should be either Yes or ticket or No ticket.

Column 16, *If not, how much was passage paid.* — The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17, (*Whether in possession of $50, and if less, how much.* — The answer should give in each case individual or family. The exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18, (*Whether ever before in the United States; and if so, when and where.* — The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891, 1897, Philadelphia.

Column 19, (*Whether going to join a relative or friend; and if so, what relative or friend.* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. — These questions are self explanatory and the answers like all others on the sheet, are subject to verification by inspectors at the time in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Dr P. AVLAMIS, Surgeon of the S/S "MEGALI HELLAS", Andros, do solemnly, sincerely, and truly Swear that I have had (9) years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this day of NOV 25 , 19

at NEW YORK

NOTE.—If a surgeon sails with the vessel, this affidavit of certificate must be executed before the commencement of the said voyage; if the aliens may be taken on board at the next port before the affidavit is executed.
If a surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before the vessel shall proceed to sea.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, L. KAZAKIS (State whether Master, First, or Second Officer) MASTER, *of the* S/S [illegible], *from* Piraeus, Greece, *do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 27 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.*—The answer in this column should be expressed in years or months, the latter applied to those under 1 year of age.

Column 4. *Sex.*—The entry should be either M, male, or F, female.

Column 5. *Whether married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each person, as for example, Civil engineer, stationary engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not laborer, servant, tailor, molder, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of property owned, as follows:

Farmer.—One who operates a farm, either for himself or for others.

Farm laborer.—One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by inspectors and by clerks during the personal examination of alien arrivals.

Column 8. *Nationality.*—This column is subdivided and contains the following question: "Race or people (Hebrew, Irish, German, English, Italian, Polish, Spanish, Dutch, French, Scottish, Russian, Bohemian, Magyar, Finnish, Slovak, Lithuanian, Croatian, Slovenian, Roumanian, Portuguese, Armenian, Bulgarian, Servian, Greek, Syrian, Turkish, Japanese, Hindu, Chinese, Negro, Indian, Other)." In answering this question, specific information is required, and if exemption is claimed upon what grounds." In answering this question, every person should be able to read, should hesitated. If alien is unable to read and claims exemption to the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in answer.

Special attention must be paid to the distinction between race and the country of which the citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully examined by inspectors and head clerks in this regard. For instance, "France" appearing under the head of country does not mean "French," but race or people, and, similarly, "French" appearing under the heads of country does not mean "France" by country. An Irish, German, or Hebrew alien by race should properly come under the heads of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of pure Indian race.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native of Africa, the West Indies, or other lands. If the West Indies, North or South America, Europe, or Africa. An alien who, although born of parents of the African Negro race, is classed under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or elsewhere, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native of that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian, south."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of which alien is a citizen or subject, country of birth, nationality, or race.

Country of last permanent residence of alien who is a permanent resident of the United States and who proceeds to Canada after a visit should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether in possession of $50 and if less than $50, how much.*—The answer should be either Yes, ticketed, or No, no ticket.

Column 16. *Whether ticket was prepaid.*—The entry should show definitely by whom passage was paid, as, self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if less than $50, how much.*—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891, 1896, Philadelphia.

Column 19. (*Whether coming to join relative or friend, and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers to the examination of aliens. However, in answering question 26, if alien has been deported within one year, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, D. P. AVLAMIS, Surgeon of the S/S "MEGALI HELLAS," Piraeus, do solemnly, sincerely, and truly swear that I have had 23 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 3 day of NOV, 19[illegible]

at NEW YORK

NOTE.—If a surgeon sails with the vessel, this affidavit (certificate) shall be executed before the proper officer of the last port from which the vessel departs in the continent of Europe, if any of the aliens named therein are to be examined, but not this affidavit (certificate) is executed at the port of departure, the surgeon shall execute a like affidavit (certificate) at the first port at which the vessel arrives in the United States.

If no surgeon sails with the vessel, the affidavit (certificate) shall be executed at the port of departure before the master or agent of the vessel by the examining surgeon.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which alien sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

African (black).	Greek.	Roumanean.
Armenian.	Hebrew.	Russian.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use by Government officials only.

Column 3. *Age.* — The answer in this column should be expressed in years or months, the latter applicable only to those under 1 year of age.

Column 4. *Sex.* — The entry should be either M, male, or F, female.

Column 5. (*Married or single.*) — The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 6. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Cotton spinner, stationary engineer, lace operative, weaver, gardener, brass polisher, stone cutter, iron molder, wood turner, etc., and not simply laborer, engineer, polisher, molder, turner, machinist, or the like. Distinction

Women must not be made between farmers and farm laborers, regardless of the amount of money owned by them.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship agents should make this instruction known to their principals, and correct lists should be made before sailing. It is important to avoid delay during the personal examination of aliens on arrival.

Column 8. *Country of birth.* — This column is subdivided and contains the following question: Place of birth. The answer for this column is not to be "unknown" or "not stated." In answering this question as to place of birth the answer as to birth should be stated. If alien is unable to read and claims nationality from the mother's side, the name of the country of which the mother is a native should be given.

Column 9. *Nationality.* — The word "nationality" should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.* — The list of races is printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the future residence and the country of which the alien is a citizen or subject. The country of last permanent residence, country of birth, and nationality should be carefully noted by inspectors and reported in letters to the proper officers. France appearing under the head of country, classed inasmuch as the bulk of its people, and, naturally, French appearing under the head of race or people, does not indicate Canada, Belgium, Switzerland, Germany, Austria, Germans or Hebrews in race might properly come under the heading of Europe, Switzerland, or any other country. In this connection the following enumeration should be observed:

CUBAN.

The term "Cuban" refers to the Cuban people of any race.

WEST INDIAN.

West Indian refers to the people of the West Indies, other than Cuban or Negro.

CENTRAL AMERICAN.

Central American refers to the people of Central and South America, Central America.

AFRICAN NEGRO.

African (black) refers to the Negroes born in Africa, natives of the islands of the West Indies, South or South American Republics, or Africa. All others with a residence in the United States should be classified under this heading.

ITALIAN, NORTH.

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 11. *Last previous permanent residence.* — Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and return after a temporary absence abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in the country whence alien came.* — The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; if country, if outside the United States.

Column 14. *Whether having a ticket, baggage, and final destination.* — The answer should be either Yes, ticketed, or No, not ticketed.

Column 15. *Whether in possession of $50, and if less, how much.* — The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. (*Whether ever before in the United States, and if so, when and where.*) — The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891–1897, Philadelphia.

Column 19. (*Whether going to join relatives or friend, and if so, what relative or friend.*) — The answer should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. — These questions are self-explanatory, and the answers, like all others on the sheet, are subject to be sworn to by inspecting officers on the examination of aliens. However, in answering question 26, if alien has been deported previously on one visit and the Secretary of Labor has authorized him to reapply for admission, the affirmative answer should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, L. NAZAPIS Master, of the S/S MEGALE HELLENS, from Piraeus Greece, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(State whether Master, First, or Second Officer)

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter appropriately to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M male or F female.

Column 6. *Married or single.*—The answer should be M married, S single, Wd widowed, or D divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation or trade which properly describes each alien's recent activities, as for example: Civil engineer, stationary engineer, farmer, tailoress, nursegirl, bricklayer, mason, carpenter, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, laundress, soldier, student, tailor, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed.

Women who operate a farm, either for themselves or for others.

Persons who are employed by a person or a firm, but who do not actually assist in operating the business, should be reported as laborers, even though they are classified as managers or superintendents by the employer, in answering the immigrant's statement at the time of his arrival.

Column 8. *Race or people.*—This column is subdivided and contains the following question: "To what race or people do he or she belong?" In answering this question the immigrant is required to state his race or people. If he is unable to read and claims exemption from the literacy requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—The term should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Last permanent residence.*—See instructions printed on back of this sheet. The entry should show the name of the country.

Special attention is directed to the distinction between race and the country of which a citizen or subject; country of last permanent residence and native country or birth; and inasmuch as carefully prepared inspectors and reporting officers depend on the immigrant's statement for the correct classification of the various races or peoples, it is important that the immigrant understand clearly the question. For instance, a native of France appearing under the head of country of birth should be reported as a native of that country. An Irish, German, or Hebrew alien by race should be reported, even under the heads of birth and last permanent residence, Switzerland, or any other country. In this connection the following distinctions should be carefully observed:

ENGLISH

The term "English" refers to the inhabitants of England proper.

SCOTCH

The term "Scotch" refers to the people of the Scottish Highlands and Lowlands, whether Gaelic or Norse in origin.

WELSH

The term "Welsh" refers to the people of Wales, a principality in the southwestern part of Great Britain.

IRISH

The term "Irish" refers to the people of Ireland, whether Celtic or Anglo-Saxon in origin.

AFRICAN (BLACK)

The term "African (black)" refers to the Negro race, which has its home in Africa, and to the descendants of the Negroes who have been brought to the United States, the West Indies, South or Central America, Europe, or Asia. As used in the census reports, all of the various Negro elements are classed as "black."

ITALIAN, NORTH

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. *Last permanent residence.*—Actual or an intended residence for one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries should show the country and city or town of last permanent residence. It is important for statistical purposes that these data specifically and accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Continue last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having ticket through to final destination.*—The answer should be either Yes or Ticket or No or No ticket.

Column 16. *Whether in possession of $50 and if less how much.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if less how much.*—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether Yes or No, in the United States before, and if so, the year or period of years and place, as, 1891, 1895, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to examination by inspectors at the examination stations. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, D. P. AVLAMIS, *Surgeon of the* S/S "MEGALI HELLAS", Andros, *do solemnly, sincerely, and truly* [illegible] *that I have had* [illegible] *years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of* [illegible], *and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets,* [illegible] *in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.*

Sworn to before me this [illegible] *day of* NOV [illegible], *19*

at NEW YORK

NOTE.—If a surgeon sails with the vessel, the affidavit at [illegible] shall be executed at the port [illegible] and if no surgeon sails with the vessel, the affidavit at [illegible] shall be executed at the port [illegible] by the master or other [illegible]

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which each alien comes, as indicated by birthplace and the language they speak. The original stock or blood should be the basis of the classification, the mother tongue to be used only to assist in determining [illegible] original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Last residence*).—Steamship lines should make no entries in this column. The space is reserved for the information called for by the next column.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter if aged less than 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade or profession) of each alien named, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, farmer, engineer, brass polisher, molder, turner, or other indefinite designations.

Column 7 (*Able to read*).—The answer should be Yes or No.

Column 8 (*Able to write*).—The answer should be Yes or No.

Column 9 (*Nationality*).—The answer should be the country to which the alien claims allegiance.

Column 10 (*Race or people*).—The answer should be the race or people to which the alien belongs, as English, Irish, Scotch, Welsh, German, Italian, Japanese, Hebrew, Bohemian, Magyar, Slovak, Polish, Russian, Finnish, Dalmatian, Croatian, Servian, Bulgarian, Roumanian, Greek, Portuguese, Spanish, Mexican, West Indian, Chinese, Turkish, Armenian, Syrian, Negro, Indian, or other race or people.

Special attention should be paid to the entries to avoid errors as to the race, as the country of which the citizen or subject is a native is frequently not the race to which he belongs. For instance, France appearing under the head of country of birth may indicate a native of that country of the Basque race, Belgium may indicate a Walloon, Switzerland may indicate a native of the Canton Ticino, Austria may indicate a Bohemian, Hungary may indicate a Magyar, Turkey may indicate a Turk, Armenian, Syrian, Greek, Arab, or Jew, and Russia may indicate a Russian, Finn, Pole, Lithuanian, Hebrew, etc.

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year is to be regarded as the last permanent residence regardless of length of actual residence therein. The entries in this column should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who come from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, county or town of intended future permanent residence, if within the United States, or the country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, other, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less than $50, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should be recorded as to the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show with the words Yes or No whether the alien has been in the United States before, and if so, the year or period of years and place, as, 1901 (N. Y.), Philadelphia.

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show who the person is to join (either a relative or friend, and if so what relative or friend, with name and complete address).

Column 19 (*Whether in possession of ticket through*).—The entries are self-explanatory, and the answers like all others in the sheet are subject to revision by inspection officers, to whom examination is directed.

NOTE — Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or who teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... KAZAPIS ..., of the S/S ..., from ... Greece, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly ... that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter as applicable to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, laborer, tailoress, nursing engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed, as—

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one whose livelihood is gained by the man who operates it.

Superintendents should make this distinction on the manifests, and corrections should be made where necessary by inspectors clerks during the personal examination of alien arrivals.

Column 8. *Race or people.*—This column is subdivided and contains the following question: Race or people to which each exemption claimed, upon what grounds?" In answering this question the race or people to which each alien belongs should be stated. If alien is unable to read and claims exemption to the reading requirement, place record for such exemption should be given.

Question 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Last or final residence.*—See instructions printed on back of this sheet. The entry should show the country, by its name, to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be correctly revised by inspectors and returned to them for correction if necessary. For reason, "France" appearing under the head of country of last permanent residence includes natives of that country people, and, similarly, "French" appearing under the head of race or people does not include natives of France by country. An Irish, German, or Hebrew alien by race might possibly come under the heading of United States, Switzerland, or any other country. In this connection, the following instructions should be carefully observed:

CUBAN.

The term Cuban refers to the Cuban people of Negroes.

WEST INDIAN.

West Indian ... the people of the West Indies other than other Cubans or Negroes.

MEXICAN.

Spanish American ... the people of Central and South America of pure Indian descent.

NEGRO, BLACK.

African, black, ... Negro. The term country from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with a distinct mixed blood of the African Negro, black, should be classed.

ITALIAN, NORTH.

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having ticket to such final destination.*—The answer should be either Yes or ticket, or No, no ticket.

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less, how much.*—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, 1896, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—The questions are self explanatory and the answers, like all others on the sheet are subject to revision by inspectors at time of the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Dr P. AVLAMIS, Surgeon of the S/S "MEGALI HELLAS," [Am.] (state whether "sailing" or "arriving" vessel, or "employed in" or "arriving in" as the case may be), do solemnly, sincerely, and truly swear that I have had 23 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 24 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching such beliefs or opposed to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... (State whether Master, First, or Second Officer) of the S/S MEGALI ... , from Piraeus ... , do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 94 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Separate sheets should be prepared for each port at which passengers embark.

Column 2: *Head-tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4: *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5: *Sex.*—The entry should be either M, male, or F, female.

Column 6: *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7: *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, blacksmith, cabinet maker, carpenter, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "laborer," "mechanic," "engineer," "polisher," "molder," "turner," or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farmer who operates it.

Skilled persons should make this distinction even on the manifests, and corrections should be made by inspectors in the vestry clerk during the personal examination of alien arrivals.

Column 8: *Nationality.*—The column is intended to contain the following question: Read what language, tongue, or dialect each person performed upon, and what ground? In answering this question, the place of birth must be disregarded, but the nationality of the alien must be stated. If alien is unable to read and claims nationality from the mother, race, or tribe, such evidence should be given.

Column 9: *Nationality of.*—The entry should be restricted to name of the country of which alien is a citizen or subject.

Column 10: *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in column 8.

Special attention should be paid to the distinction between race and the country of which the citizen or subject, country of last permanent residence, and country of birth, and manifests should be corrected by the inspector and returned to the vessel for compliance. France, appearing under the head of country, does not mean French, but refers to the people, and, similarly, "French" appearing under the head of race or people does not mean, for instance, Switzerland, or any other country. An Irish, German, or Hebrew alien can not be properly be recorded under the heading of Ireland, Switzerland, or any other country. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not to race.

WEST INDIAN.

West Indian" refers to the people of the West Indies, not to race, color, Obeah, or Negroes.

SOUTH AMERICAN.

"South American" refers to the people of South America, not to race, color, or Negroes.

AFRICAN (NEGRO).

"African (Negro)" refers to the African Negro race, and persons coming under this classification, of the West Indies, North or South America, Europe, or Asia, are to be returned with characteristic as to race, i. e., "African Negro," and not by birthplace.

ITALIAN, NORTH.

The people who are natives of that portion of Italy situated to the north of the basin of the River Po, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or other countries, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11: *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last entry in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereto. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and return after a visit abroad should be recorded "United States."

Column 12: *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13: *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14: *Whether having a ticket bought to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16: *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17: *Whether in possession of $50, and if less, how much.*—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18: *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1891, 1897, Philadelphia.

Column 19: *Whether going to join relatives or friends, and if so, what relatives or friends.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers, to the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. KAZAPIS MASTER, of the S/S MEGALI HELLAS from PIRAEUS Greece, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this ... day of ..., 19...

MASTER ~~Officer~~

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for vessel government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M. male or F. female.

Column 6. *Married or single.* — The answer should be M. married, S. single, W. widowed, or D. divorced.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation of the alien on each alien's arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "polisher," "molder," "turner," or other indefinite designations.

No distinction should be made between farmers and farm laborers, regardless of the amount of money or capital each may have.

A person who operates a farm, either for himself or for others, is a farmer.

A laborer who works on a farm for the man who operates it is a farm laborer.

Special care should be exercised to insure this distinction on the manifests, and corrections should be made, by the surgeons examining aliens, wherever clerks making the personal examination of alien arrivals fail to observe this rule.

Column 8. *Able to read or not.* — This column is subdivided and contains the following question: "Can read or not?" If the person is returned upon what ground?" In answering this question, the surgeon is to determine whether the alien is able to read, should he so read. If the alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9. *Nationality.* — Questions 9 should be construed to mean the country of which the alien is a native or citizen.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully revised by the surgeon with respect to these matters. "For instance, "France" appearing under the heading "Nationality" should not be entered as the race or people, and, similarly, "French" appearing under the heading "Race or people" should not be entered as the country. An Irish, German, or Hebrew alien may be connected with the following nationalities and should be respectively classified:

CUBAN.

The term Cuban refers to the inhabitants of the Island of Cuba.

NEGRO.

West Indian refers to the inhabitants of the British West Indies, Haiti, Santo Domingo, Porto Rico, and the Danish West Indies, either Cubans or Negroes may be Americans.

Spanish American refers to the inhabitants of Central and South America, and may be either Cubans or Negroes.

West Indian refers to the inhabitants of the British West Indies, Haiti, Santo Domingo, Porto Rico, and the Danish West Indies, either Cubans or Negroes may be Americans.

Spanish American refers to the inhabitants of Central and South America, and may be either Cubans or Negroes.

West Indian refers to the inhabitants of the British West Indies, Haiti, Santo Domingo, Porto Rico, and the Danish West Indies, either Cubans or Negroes may be Americans.

ITALIAN NORTH.

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual or intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country, city, or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having a ticket to such final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.* — The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less, how much.* — The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The entries should show whether or not (Yes or No) in the United States before, and if so, the year, or period of years, and place, as, 1891-1897, Philadelphia.

Column 19. *Whether going to any relative or friend, and if so, what relative or friend.* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. — These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspectors, others than the examining surgeon. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to apply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or calling of each person arriving, as, for example: Civil engineer, stationary engineer, bookkeeper, cane planter, engraver, brassworker, steel polisher, iron molder, wood turner, cotton spinner, shipping clerk, mariner, pilot, teacher, tailor, or officer in definite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown on hand.

A farmer is one who cultivates a farm, either for himself or for others.

A farm laborer is one who does chores or tills the land for the man who operates it.

Skilled and unskilled laborers.—Care in the matter of skilled and unskilled laborers should be exercised. Experience has shown that many aliens during the period of examination of aliens coming [illegible]

Laborers (*Unskilled*).—The ordinary resident who declares on entering the United States that he will work at "Anything he can get to do" is not a skilled laborer. In answering this question the exception to be taken by immigrants subject to head should be stated. Reliance is not to be placed in claims to exemption from the literacy requirement, the ground for such exemption should be given.

Column 8 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—Instructions printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is called to the question of race and the country of which the alien is a citizen or subject. The country of birth is not to be considered, and countries should be carefully regarded. For instance, Germany, as appearing under the head of countries, includes the Alsatians, a German people, and probably French, also not infrequently under the head of Germany people from the Province of Posen, Germany. Applicants coming from these countries should be questioned closely as to their race, and the entry should be "Alsatian" or "Polish," as the case may be, and not "German."

Persons born in Austria-Hungary should be described as Austrian, Hungarian, Bohemian, Croatian, Slovak, Dalmatian, Ruthenian, Polish, or Hebrew, according to their race or people, and not as citizens of the Austro-Hungarian Empire.

Persons born in the following countries should be described as follows, whether they are citizens or subjects of such countries or not:

CUBAN.

The term Cuban, as used in the Census, includes white persons only. The people of Cuban birth who are not white are enumerated as Negroes.

WEST INDIAN.

The people of the islands of the West Indies, other than Cuban, are Negroes.

CENTRAL AMERICAN.

The people of Central America are Indians, Negroes, mulattoes, whites, or mixtures of these races.

SOUTH AMERICAN.

The people of South America are Indians, Negroes, mulattoes, whites, or mixtures of these races.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central America, South America, and Mexico.

AFRICAN (BLACK).

"African (black)" refers to all persons born in Africa, whether of white, Negro, or mixed parentage. The people of the West Indies, North or South America, born of parents born in Africa, are also classified as African. Any person with a trace of black blood in him, no matter how small, is classified as black. The people of the African Negro should be classified as black.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual residence of one year shall constitute permanent residence. The last country in which a person resided with the intention of remaining one year or more shall be that person's permanent residence, regardless of length of actual residence thereon. The entries must be full, showing the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and return temporarily to their former abroad shall be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether ticketed through to final destination*).—The answer should be either Yes (ticketed) or No (not ticketed).

Column 15 (*Whether in possession of money, and how much*).—The entry should show definitely by whom passage was paid, as self, father, husband, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if not, how much*).—The answer should give in each case the actual amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1882–1887, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—The questions in these columns are explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 29, if an alien has been excluded within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, W, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien. Aliens arriving as travelling salesmen, peddlers, etc., must not be described merely as "merchant," "dealer," or "salesman," but must state what they sell, such as "hardware," "notions," "dry goods," "jewelry," etc. Aliens coming to accept positions as actors, artists, lecturers, singers, nurses, ministers of religion, professors, or persons belonging to any other class specified in the Immigration Act, must be described specifically as such. Laborers employed in or about mines or quarries should be specifically described as such. Aliens formerly engaged in gainful occupations, but not actually employed at the time of sailing, must be returned as laborers, farmers, servants, etc., according to their last occupation, and not as "gentleman," "lady," "none," "at home," or "housewife," as the case may be. Aliens of the latter class who have been employed during the past year must state the trade, profession, or occupation followed during the period.

Column 8. *Last permanent residence.*—Unmarried persons should give the country in which they have resided longest during the past year. In the case of married persons, the country of residence of husband and wife is presumed to be the same, and if it is not the same this fact should be explained in the manifest. Do not enter "United States" unless the alien has resided therein for more than one year immediately preceding his application for admission to the United States, and has the intention of residing permanently therein. Do not enter "America," "Europe," "Asia," or "Africa." Specify the country.

Column 9. *Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address.*—The entry should show whether the alien has a ticket to join a relative or friend, and if so, the name and complete address of such relative or friend. The relationship should be stated, as "father," "mother," "husband," "wife," "child," "brother," "sister," "uncle," "aunt," "cousin," "friend," etc. Do not enter merely "relative." Avoid such indefinite terms as "Mrs. Brown" or "Mr. Smith." Write the name in full, as "Mrs. Mary Brown" or "Mr. John Smith." Also give the street and number, if possible, of the residence of the relative or friend to whom the alien is going, and the name of the city, town, or village and the State. Do not enter merely "New York City," but give the street and number, if possible, as well as the borough. Do not enter merely "Chicago," but give the State also. ITALIAN NORTH

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Venetia, and Umbria, and their descendants, whether residents in Italy, Switzerland, America, Africa, or elsewhere, should be classed as "Italian north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian south."

Column 11 (*Nearest relative or friend*). Actual cash intended for use in the year shall constitute sufficient money. The term includes not only husband, wife, parent, child, brother, sister, grandparent, grandchild, uncle, aunt, nephew, niece, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepparent, stepchild, stepbrother, stepsister, guardian, ward, and fiancé, but also any relative by consanguinity or affinity, as well as any other person who has previously been a friend of the alien. It should show the name and city or town of last permanent residence. It is important for statistical purposes that the immediately preceding foreign residence, that is, the country of last permanent residence, be given. Do not enter merely "England," "Scotland," "Great Britain," or "United States."

Column 12 (*Final destination*). Give the name of a person who is a permanent resident of the United States and to whom the alien is going. Do not give the name of a steamship company. The word "relative" should be used to mean husband, wife, parent, child, brother, sister, grandparent, grandchild, uncle, aunt, nephew, niece, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepparent, stepchild, stepbrother, stepsister, guardian, ward, and fiancé, but also any relative by consanguinity or affinity, as well as any other person who has previously been a friend of the alien. It should show the name and city or town of last permanent residence. It is important for statistical purposes that the immediately preceding foreign residence, that is, the country of last permanent residence, be given. Do not enter merely "England," "Scotland," "Great Britain," or "United States."

Column 13 (*Whether going to join a relative or friend, and if so what relative or friend, name and complete address*). The answer should show whether going to join a relative or friend, and if so what relative or friend, with name and complete address.

Column 14 (*Ever in U. S.*). The question is self-explanatory and the answer, like all others, must be full and complete. It is important to the examining officers. However, in answering question 20, detailed information is not required as to time, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

CUBAN.

The term "Cuban" covers only the Cuban people of Negro race.

WEST INDIAN.

West Indian refers to the people of the West Indies, but does not include the Cubans or Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the Negroes of Africa. Natives of the West Indies, Central or South America, Europe or Asia, although of African descent, should not be classified under this heading.

ITALIAN, NORTH.

The people classified as natives of Italy north of the Rivers Po, Magra, and Serchio, and the provinces of Piacenza, Parma, Reggio, Modena, and Massa, and all other natives of Italy west of the Austrian Empire, except those specifically enumerated as Italian, south, should be classed as Italian, north. None of these people speak a Gaelic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that part of Italy south of the boundary of the Rivers Po, Magra, and Serchio, and the provinces of Piacenza, Parma, Reggio, Modena, and Massa, and all other natives of Italy east of the Austrian Empire, except those specifically enumerated as Italian, north, should be classed as Italian, south. None of these people speak a Gaelic dialect of the Italian language.

Column 11. *Last permanent residence.* Where a person has a home in a country, that is his permanent residence. The fact that he has been living in the United States for a year or more does not necessarily indicate that he has established a permanent residence here. If he has a home in a foreign country, and is here for a visit, or for a temporary purpose, that is not a permanent residence. Persons who have been in the United States for many years, but who have always considered themselves residents of their native country, and who intend to return to it to live, should be returned as having their permanent residence in that country. Where a person has resided in several countries, the entry should be the country in which he has lived longest. Do not enter "United States" unless the person has a permanent residence within the United States.

Column 12. *Name and address of nearest relative.* The answer should be either Yes or No. Under no circumstances should the name and address of the nearest relative in such relative's own country be omitted.

Column 13. *Final destination.* The entry should be the place to which the alien intends to go permanently. Never enter "New York" unless the alien intends to make his permanent residence there. Persons having friends or relatives in the United States should not be returned as having permanent residence within the United States unless it is definitely known that they have acquired such residence.

Column 14. *Whether in possession of railroad or steamship ticket to final destination.* The answer should be either Yes or No.

Column 15. *By whom passage paid.* The answer should be given only by whom passage was paid, such as "self," "father," "friend," "employer," etc. It is not sufficient to state "prepaid" or "steerage."

Column 16. *Whether in possession of $50 and if less, how much.* The answer should be given in dollars and cents. Where the alien has no money, the word "none" should be entered. The Government does not wish to learn merely that the alien has sufficient money to land, but wishes to ascertain whether the alien has any money and how much he has.

Column 17. *Whether ever before in the United States and if so, when and where.* The answer should be Yes or No. If the alien has been in the United States before, and if the year or period of years and place are remembered, they should be stated.

Column 18. *Whether going to join a relative or friend and if so, what relative or friend.* The answer should show which one of the two, and also what relative or friend, with name and complete address.

Columns 20 to 34. *Description of alien.* These questions, and the answers like all others, therefore are subject to return by the Commissioner of Immigration. However, in answer to question 26, if alien has been in United States before and the Secretary of Labor has authorized him to reapply for admission the authority for such reappearance should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... W. Krol, Master ....., of the Rijndam
(State whether Master, First, or Second Officer)
, from Rotterdam, do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this ..... day of November, 19 20

at New-York, N.Y.

..... Master

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, civil engineer, steel engineer, mining engineer, mine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply a general term, as laborer, mechanic, tailor, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as in sight.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors at ports of entry, during the personal examination of the arrivals.

Column 8 (*Literacy and race*).—This subdivision is subdivided and entitled as follows, viz: Can read, Can write, Can both read and write, Read what language, Write what language, If exemption is claimed upon what ground, Nationality, Race or people.

Read what language.—If exemption is claimed upon what ground, Nationality, Race or people.

Can read, Can write, Can both read and write.—These columns are to be used for each exemption claimed. Nationality, Race or people.

Nationality.—Question 9 should be construed to mean the country of which the alien is a native or citizen or subject.

Race or people.—The races or peoples mentioned on the back of the sheet are those which it is believed will include the vast majority of the immigrants coming to the United States. Special attention should be paid to the distinction between the country of which the alien is a citizen or subject (nationality) and the race or people to which he belongs. For example, a Scotch person should be entered as of the Scottish race or people, not as of the British race or people; a native of Wales as of the Welsh race or people, not as of the British race or people; a native of Ireland as of the Irish race or people, not as of the British race or people; a native of Canada as of the Canadian race or people, not as of the British race or people; a native of Australia as of the Australian race or people, not as of the British race or people; a native of Scotland of the Hebrew race or people as of the Hebrew race or people, not as of the Scottish race or people; a native of Germany of the Bohemian race or people as of the Bohemian race or people, not as of the German race or people; a native of France of the Basque race or people as of the Basque race or people, not as of the French race or people. The following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not to race.

WEST INDIAN.

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America and Spain, but does not

NEGRO, AFRICAN.

"African (black)" refers to the Negroes who have come to the United States from the West Indies, North or South America, Europe, Asia, or Africa. All Negroes should be classed as of the African Negro race, no matter what their nationality may be.

other ...

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence thereon. The entries required by the last permanent residence regardless of length of actual residence thereon. The entries required by this column should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of race, city of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and return thereto after a visit abroad should be recorded "United States."

Column 12.—*Name and complete address of nearest relative or friend in country whence alien came.*—The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 13.—*Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States, country if outside the United States.

Column 15.—*Whether having ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16.—*Whether in possession of passage paid.*—The entry should show definitely by whom passage was paid, as wife, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17.—*If not, in possession of how much money.*—The answer should give in each case the amount of family, the exact amount of the men shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18.—*Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891, 1895, Philadelphia.

Column 19.—*Whether coming to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to rejection by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E.W. Finn, Surgeon of the Ryndam, sailing therewith, do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Harvard Medical School Boston Mass.

, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Edward W Finn

Signature and title of immigration or other officer authorized to administer oaths

NOTE – If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Krol, Master *(State whether Master, First, or Second Officer), of the* Rymdam *, from* Rotterdam *, do solemnly, sincerely, and truly* swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 1 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, farming engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is ruled and contains the following requests: Read what language, if exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully tested by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country, does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien belongs in the race might properly come under the headings of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to [illegible] whether he came from Caribbean Islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States (country, if outside the United States).

Column 15 (*Whether having ticket (or sufficient funds) to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*Whether passage was paid for*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and places, as, 1891, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—Those questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, ... W. Krol, Master ....., of the Ryndam ....., from Rotterdam ....., do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

..... Master~~XXXXX~~ Officer.

Sworn to before me this ..... day of November ....., 19 20

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country, of which the citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, France appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien may race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, or of other colonies or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America and of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to natives of Africa, Negroes, or other races found in that country. Natives of the West Indies, North or South America, of African descent, or Africans with admixture of blood of the African Negro should be classified under the heading

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as, self, husband, father, brother, other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family (as the case may be) amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before and if so, the year (or period of years) and place, as, 1891, 1895, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relative or friend*).—The answer should show whether going to join (name) or other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 31.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectional officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E.W. Finn, Surgeon of the Ryndam, sailing therewith (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be), do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Harvard Medical School Boston Mass., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Krol, Master *(State whether Master, First, or Second Officer)*, *of the* Ryndam, *from* Rotterdam, *do solemnly, sincerely, and truly* swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 30 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

Master ~~Officer~~.

Sworn to before me this .. *day of* November, *19* 20

at New-York, N.Y.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "engineer, polisher, molder, turner, or other indefinite designation."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column resolves itself into two questions: Read what language (or if exemption is claimed, upon what ground)? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reentry clerks in this regard. For instance, "France" appearing under the heading of country does not mean "French" by race or people and, similarly, "French" appearing under the heading of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Africans and their descendants (other than Cubans or natives of the West Indies, North or South America, Europe, or Asia). Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1901, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 29 to 34.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officials in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E.W. Finn, Surgeon of the Ryndam, sailing therewith
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)
, do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Harvad Medical School Boston Mass.

, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

Steamship companies should make this distinction on their manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains three questions: "Can read?" "Can write?" "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negroes born in Africa, or to those of Negro descent born in the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

Column 16 (*Whether any person paid passage*).—The entry should show definitely by whom passage was paid; as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family (the) exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1901-1905, Philadelphia.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Krol, Master (State whether Master, First, or Second Officer), of the Kyndam, from Rotterdam, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 15 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master ~~Officer~~.

Sworn to before me this 23 day of November, 1920

at New-York, N.Y.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head-tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. (*Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. (*Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question: "Read what language or, if exempt as to literacy, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and no effects should be erroneously received by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Holland alien, by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African race, but does not include Negroes from Cuba or other countries of the West Indies, or from South America, Europe, or Asia. An alien with admixture of blood of the African Negro race is classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. (*Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of nationality or country of birth.

Country of last permanent residence of aliens who are permanent residents of the United States and returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 17. *Whether in possession of $50, and if less, how much.*—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Y) or (N) alien has been in the United States before, and if so, the year or period of years and place, as, 1901, 1907, Philadelphia.

Column 19. (*Whether going to join relatives or friends, and if so, what relatives or friends.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such application should be given.

other organized government bodies.

AFFIDAVIT OF SURGEON

I, E.W. Finn, Surgeon of the Ryndam, sailing therewith
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)
, do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Harvard Medical School Boston Mass.

, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Krol, Master *of the* Ryndam *, from* Boulogne sur Mer *, do solemnly, sincerely, and truly* swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 30 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

(State whether Master, First, or Second Officer)

Master

Sworn to before me this 1st *day of* November *, 19* 20

at New-York, N.Y.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply, as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors at registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is subdivided and contains the following question: Read what language (or, if exemption is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negroes coming from Cuba or other islands of the West Indies, North or South America, and Europe or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self; husband, father, brother, mother, relative, friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*). The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1891, 1895, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to reasons by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E.W. Finn, Surgeon of the Ryndam, sailing therewith, (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Harvard Medical School Boston Mass.

..., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Edward W Finn

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Krol, Master (State whether Master, First, or Second Officer), of the Ryndam, from Boulogne sur Mer, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master

Sworn to before me this . day of November, 1920

at New-York, N.Y.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as, for example: Civil engineer, stationary engineer, locomotive engineer, farmer, gardener, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indeterminate designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO, RACE.

"African (black)" refers to the African Negro, whether coming from Colored citizen or subject of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Umbria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Final permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1901, 1907, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to research by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E.W. Finn, Surgeon of the Ryndam, sailing therewith, do
(State whether Surgeon "sailing therewith" or "employed by (owners thereof," as the case may be)
solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Harvard Medical School Boston Mass.
, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 29 in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

Edward W Finn

Sworn to before me this 13 day of November, 19 20

at New-York, N.Y.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

230

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Krol, Master *(State whether Master, First, or Second Officer), of the* Ryndam *, from* Boulogne sur Mer *....., do solemnly, sincerely, and truly* swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 29 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

..... Master

Sworn to before me this .. *day of* November *....., 19* 20

at New-York, N.Y.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, statistician, engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "engineer, polisher, molder, turner, or other indefinite description."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correctness should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column positively and certainly the following question: Read what language or, if exemption is claimed, upon what ground?" In answering this question the exact language or dialect the alien names as read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which or to which alien is said to belong.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Island of Cuba, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN BLACK.

"African black" refers to the Negroes from Africa, to the Negroes from Cuba, Haiti, the other islands of the West Indies, North or South America, Europe, Asia, or Australia with admixture of blood of the African Negro shall be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gaulic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country which permanent residence Chinese who are permanent residents of the United States and returning to it after abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, country, if out side the United States.

Column 15 (*Whether having through ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*Whether passage paid by whom and amount paid*).—The entry should show definitely by whom passage was paid, as, if by himself, himself, father, brother, another relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less than $50, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by the inspector in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E.W. Finn, Surgeon of the Ryndam, sailing therewith, do
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)
solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Harvard Medical School Boston Mass.
, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 20 in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

Edward E. Finn

Sworn to before me this day of November, 19 20

at New-York, N.Y.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Krol, Master (State whether Master, First, or Second Officer), of the Ryndam, from Boulogne sur Mer, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 20 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master

Sworn to before me this 22 day of November, 1920

at New-York, N.Y.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, mining engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., but not simply "engineer, polisher, molder, turner," or the like, unless descriptive.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction upon the manifests, and corrections should be made, if necessary, by inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column recalls to mind and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reentry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Italian alien, etc., is of the race or people of one of those countries, and not of the United States, England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who, if born in Cuba, is a Cuban, if born in the West Indies, North or South America, Europe, or Africa, is a West Indian without distinction of blood. All of the African Negro race must be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Contract labor permanent residents coming from countries other than those of which they are permanent residents of the United States and returning thereto from a visit abroad should be considered "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should be written first the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether in possession of ticket to final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less how much*). The answer should give in each case individual alien's money. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*). The entries should show whether yes (Y) or no (N) in the United States before, and if so, the year (or period of years) and place, as, 1904, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*). The answer should show whether going to join (with) a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 31. These questions are self-explanatory and the answers, like all others on the sheet, are subject to correction by inspectors in the examination of aliens. However, in answering question 25, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E.W. Finn, Surgeon of the "Ryndam", sailing therewith (State whether Surgeon "sailing therewith" or "employed by owners thereof" as the case may be), do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Harvard Medical School Boston Mass., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 7 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this .. day of November, 19 20

at New-York, N.Y.

(Signature and title of officer administering oath)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed at the time of the last examination of the alien passengers on the vessel at the port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some other authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax exempt.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. (*Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Civil engineer, stationary engineer, lawyer, preacher, tailor, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply, laborer, engineer, tailor, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money known, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made at the ports, by inspectors and deputy clerks during the personal examination of alien arrivals.

Column 8. (*Able to read and write.*—This column is subdivided and contains the following questions: Read [what language (or, if exemption is claimed, upon what ground)]? In answering this question, the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. (*Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully tested by inspectors and deputy clerks in this regard. For instance, "France" appearing under the head of country do not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people do not mean "France" by country. An Irish, German, or Hebrew alien by race or people properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be corded "United States."

Column 12. (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 16. (*By whom was passage paid.*)—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17. (*Whether in possession of $50, and if less, how much.*)—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. (*Whether ever before in the United States; and if so, when and where.*)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19. (*Whether going to join relative or friend; and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

solemnly, sincerely, and truly SWEAR *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 29 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. *Head-tax status.*—Steamship lines should make no entries in this column. The entries are to be made by the immigration officials only.

Column 2. *Last permanent residence.*—The answer in this column should be expressed in such a manner as to indicate the country of which the alien is a subject or citizen. For example, if a native of Germany, Austria, or Hungary, the answer should be German, Austrian, or Hungarian, according to the nationality of the alien, and not Prussian, Bavarian, Bohemian, or other local designation. If a native of Great Britain, the answer should be English, Scotch, Welsh, or Irish, according to the nationality of the alien, and not British. If a native of the Dominion of Canada, Newfoundland, or other British possession, the answer should be Canadian, Newfoundland, or other British possession, and not British. If a native of Russia, Poland, Finland, Turkey, Syria, Arabia, Persia, China, Japan, India, Egypt, Africa, Mexico, Central America, South America, or the West Indies, the answer should be Russian, Polish, Finnish, Turkish, Syrian, Arabian, Persian, Chinese, Japanese, Hindu, Egyptian, African, Mexican, Central American, South American, or West Indian, as the case may be.

Column 3. *Name in full.*—Enter surname (family name) and given names (Christian names) in full.

Column 4. *Age.*—Write the age of the alien at his last birthday before embarkation. The age of infants should be stated in months.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation which each alien has followed during the past year or since childhood, if under 1 year of age. For example, Cabinetmaker, tailoress, or mere laborer is not sufficient. Instead, say engineer, brass polisher, stone cutter, seamstress, or mere laborer. Where a person has followed two occupations during the past year, as, for example, a farmer and blacksmith, the entry should be made between farmer and farm laborer, unless those of the amount of income derived from each are sufficiently different to warrant the entry of the occupation yielding the larger income.

Column 8. *Able to read.*—Write the word yes or no, as the case may be.

Column 9. *Able to write.*—Write the word yes or no, as the case may be.

Column 10. *Nationality.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Column 11. *Country of last permanent residence.*—The entry should be made in accordance with the answer to column 2, and the name of the country should be the present name, if known, even though the alien may have resided in the country named during a period when its name was different. For instance, if a native of Austria-Hungary, Austrian or Hungarian should be entered, as the case may be, even though the alien may have resided in Austria or Hungary during the period when the country was known as the Austro-Hungarian Empire. Persons born in Germany, Austria-Hungary, Russia, Turkey, Bulgaria, Servia, Montenegro, Roumania, Greece, Persia, China, Japan, Mexico, Central America, South America, the West Indies, Africa, Egypt, Arabia, India, Syria, Finland, or any other country having more than one government should be careful to specify the particular government under which the people of the country in which the alien resided last permanently have been living. For instance, if a native of Germany, Austria-Hungary, Russia, Turkey, Bulgaria, Servia, Montenegro, Roumania, Greece, Persia, China, Japan, Mexico, Central America, South America, the West Indies, Africa, Egypt, Arabia, India, Syria, Finland, or any other country having more than one government, the entry should show the particular government under which the people of the country in which the alien resided last permanently have been living.

Column 12. *Final destination.*—The answer to this question should show the intended future permanent residence. No pretended residence for the purpose of evading the immigration laws should be permitted. If the intended future permanent residence is within the United States, state the city or town.

Column 13. *Whether ticketed or not to final destination.*—The answer should be either Yes (ticketed) or No (not ticketed).

Column 14. *By whom passage paid.*—The entry should show distinctly by whom the passage was paid, as, for example, himself, herself, father, employer, steamship company, etc.

Column 15. *Whether in possession of $50 and whether ever before in U.S., and if so, how often and when.*—The answer should be yes or no, as the case may be. Money means the actual cash in the possession of the alien, and not merely the value of his property. Money orders or drafts should not be included in the answer unless they have been converted into cash and are in the possession of the alien.

Column 16. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.*—The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 17. *Whether in possession of a ticket through to his ultimate destination, and whether any part of his passage is paid by the transportation company or by other persons or corporations, and if so, by whom or what corporation or association.*—The answer should show whether the alien has a ticket through to his ultimate destination, and whether any part of his passage is paid by the transportation company or by other persons or corporations, and if so, by whom or what corporation or association.

Column 18. *Whether in charge of any one, and if so, whether in charge of father, mother, husband, wife, child, other relative, friend, church society, steamship company, or what.*—The answer should show whether the alien is in charge of any one, and if so, whether in charge of father, mother, husband, wife, child, other relative, friend, church society, steamship company, or what.

Column 19. *Whether deformed or crippled, and if so, how and from what cause.*—The answer should show whether the alien is deformed or crippled, and if so, how and from what cause.

Column 20. *Height.*—The answer should show the height of the alien in feet and inches.

Column 21. *Complexion.*—The answer should show the complexion of the alien, as, for example, light or dark.

Column 22. *Color of hair and eyes.*—The answer should show the color of the hair and eyes of the alien, as, for example, black hair and blue eyes, or brown hair and gray eyes.

Column 23. *Marks of identification.*—The answer should show whether the alien has any visible distinguishing marks, as, for example, scar on face, mole on neck, etc.

Column 24. *Place of birth, including city or town, province or state, and country.*—The answer should show the place of birth of the alien, including the city or town, province or state, and country. Abbreviations should not be used.

Column 25. *Name and complete address of nearest relative or friend in country whence alien came.*—The answer should show the name and complete address of the nearest relative or friend of the alien in the country whence he came. If no such relative living can be stated, the fact should be stated.

Column 26. *Ultimate destination, including city or town, province or state, and country.*—The answer should show the ultimate destination of the alien, including the city or town, province or state, and country. Abbreviations should not be used.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Steamship lines should make no entries in this column. The space is reserved for the use of the steamship company in the event that it may be necessary to make any corrections in the data originally entered by the alien himself.

Last Residence. The answers in this column should be expressed in names of countries, the latter preferred to those under Country of Birth.

Sex. The entry should be either M. male or F. female.

Married or single. The answer should be M. married, S. single, or Wd. widow or widower.

Calling or occupation. The entry should describe as accurately as possible the occupation of each alien, whether actually at work or not. Avoid indefinite terms, such as laborer, engineer, brassfinisher, steel polisher, machinist, wood worker, clerk, and the like, unless such general terms are amplified by a definite description of the work done. Thus, a mechanical engineer, machinist, tailor, or other designation should be used, if such is the occupation of the alien. Persons of no occupation should be returned as such. Laborers, regardless of the amount of money they may have in their possession, should be returned as laborers.

Whether able to read or write. Every alien over 14 years of age who can read in any language or dialect should be returned as able to read. Those who can write their own names but cannot read should be returned as able to write but not able to read. Those who can neither read nor write should be returned as not able to read and not able to write.

Nationality. Nationality means the country to which an alien owes allegiance. In the case of persons born in countries which have undergone political changes affecting their nationality, the present political name of the country of birth should be given. Thus, a native of Bohemia, Austria-Hungary, should be returned as a native of Czechoslovakia; a native of Alsace-Lorraine, Germany, as a native of France; a native of Finland, Russia, as a native of Finland; Separate sheets should be prepared for each port at which passengers embark.

Column 1. Number on list. — Steamship lines should make no entry in this column. The space is provided for the use of the immigration officials.

Column 2. Name in full. — The answer to this column should be expressed in such manner that the family name and the initial or full Christian name of each person may be clearly distinguished.

Column 3. Sex. — The entry should be either M (male) or F (female).

Column 4. Married or single. — The answer should be M (married), S (single), Wd. (widowed), or D (divorced).

Column 5. Age. — The entry should be the age at last birthday, and in the case of infants under 1 year of age the number of months should be stated.

Column 6. Calling or occupation. — The entry should describe the occupation at which the person intends to work in the United States, and not his occupation in the country whence he comes. Thus, a person who has been a farmer in Europe, but who intends to work in the United States as a laborer, should be described as a laborer. Persons having no occupation, such as women and children, should be described as "none." Particular attention is directed to the necessity for a correct description of each alien at arrival, as the record made at that time will be the only one available for the use of the authorities in case the alien should subsequently become a public charge or be deported for some cause which existed prior to landing. Such terms as "merchant," "manufacturer," "capitalist," "gentleman," "lady," "clerk," "student," "boy," "girl," "child," "laborer," "servant," "waiter," "waitress," "cook," "housekeeper," "seamstress," "tailor," "tailoress," "dressmaker," "milliner," "hostler," "porter," "driver," "butcher," "baker," "saloonkeeper," "bartender," "machinist," "engineer," "miner," "blacksmith," "carpenter," "cabinetmaker," "painter," "glazier," "plumber," "mason," "bricklayer," "plasterer," "stonecutter," "rope maker," "sail maker," "shoemaker," "harnessmaker," "locksmith," "gunsmith," "tinsmith," "coppersmith," "boilermaker," "machinist," "moldmaker," "pattern maker," "wheelwright," "millwright," "turner," "weaver," "dyer," "printer," "lithographer," "engraver," "photographer," "electrician," "bookbinder," "upholsterer," "basketmaker," "broommaker," "potter," "glassblower," "glass polisher," "steel polisher," "tool maker," "wood carver," etc., and not such terms as "laborer," "mechanic," "engineer," "clerk," "operative," "manufacturer," "dealer," "agent," "contractor," "farmer," "gentleman," "lady," "boy," "girl," "child," "servant," "waiter," "waitress," "cook," "housekeeper," "seamstress," "tailor," "tailoress," "dressmaker," "milliner," "hostler," "porter," "driver," "butcher," "baker," "saloonkeeper," "bartender," "machinist," "moldmaker," "pattern maker," "wheelwright," "millwright," "turner," or the like, unless the exact character of the work done is stated.

Column 7. Married to whom. — The answer should be "married to" the name of the husband or wife.

Column 8. Last residence. — The answer should be the name of the country of which the person is a subject or citizen, and not the name of a city, province, or State. Thus, a person who has been living in Paris, France, for a year or more, but who is a subject of Germany, should be described as a native of Germany, and not of France. Persons having no nationality, such as Armenians without a country, should be described as natives of the country in which they have last resided.

Column 9. Destined to the people of. — The answer should be the name of the country of which the person is a subject or citizen, and not the name of a city, province, or State. Thus, a person who is going to join relatives in Chicago, Illinois, should be described as going to the country of which he is a native, and not to the United States or Illinois. Persons having no nationality, such as Armenians without a country, should be described as going to the country in which they have last resided.

Column 10. Final destination. — The answer should be the name of the city, town, or village in the United States where the person intends to make his permanent residence and to which he intends to travel directly from the port of debarkation. Persons going to join relatives or friends should write the name of the city, town, or village where such relatives or friends reside, and should also write the name of the State. Persons going to a place where they have been before should write the name of such place and the State. Persons going to a number of places, or who are uncertain as to their destination, should write the name of the State in which they intend to settle. Persons going to join relatives or friends should write the name of the relative or friend, the street and number, if any, of his residence, and the name of the city, town, or village where he resides. Persons going to a place where they have been before should write the name of such place, the street and number, if any, of the residence of the person last visited, and the name of the city, town, or village where such person resides. Persons going to a number of places, or who are uncertain as to their destination, should write the name of the city, town, or village in the United States where they intend to settle. Persons going to join relatives or friends should write the name of the relative or friend, the street and number, if any, of his residence, and the name of the city, town, or village where he resides. Persons going to a place where they have been before should write the name of such place, the street and number, if any, of the residence of the person last visited, and the name of the city, town, or village where such person resides. Persons going to a number of places, or who are uncertain as to their destination, should write the name of the State in which

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use by Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M. male, or F. female.

Column 6. (*Married or single.*—The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, farmer, carpenter, laborer, tailor, tinner, printer, engraver, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have.

A *farmer* is one who operates a farm, either for himself or for others.

A *farm laborer* is one who works on a farm for the man who operates it.

Special care and attention should be given to the correctness of this column, as it is frequently necessary, in respect to aliens and persons of a class coming under the personal examination of aliens on arrival.

Columns 8 and 9. *Nation or people and native.*—This column is subdivided and is to show the following facts: What language (or dialect) he can read, if any. In answering this question, if the alien can read any language, write down the name of that language. If he can not read any language, but can read figures, write down the word "figures." If he can not read at all, write down the word "none." If the alien is able to read, he should be tested. If there is trouble to read and there is no question as to the reading requirement, the record is to be examined, but no examination should be given.

Column 10. *Nationality.*—Question 9 should be construed to mean in the country of which alien is a native or citizen or subject.

Column 11. *Race or people.*—See list of races printed on back of the sheet. The entry should show the race or people, even to small fractions.

Special attention should be paid to the distinction between race and the country of which the person is a native or last permanent residence and country of birth, and manifests should be so filled that the facts will appear clearly in this regard. For instance, France and Germany are countries, but the races or peoples found in them are generally different, the former containing many persons of the Latin race, or "French" by race or people, and, similarly, "French" appearing under "Nationality" should be changed to "French" by country. So with German, or Hebrew, which are sometimes wrongly given as the nationality of England, Switzerland, or any other country. In this connection the following lists, while not all-inclusive, should be especially observed:

CUBAN

Entries of Cuban people should be Cuban people and Negroes.

WEST INDIAN

Entries of West Indian people should be West Indian, or other Colonies or Negroes.

SOUTH AMERICAN

Entries of South American people should refer to the people of countries of South America of pure Indian descent.

AFRICAN, BLACK

African, Black should refer to the African Negroes, but the entry may be qualified by the name of the West Indies, South or Central America, or Europe, if the African Negro should have resided for some time in any of those countries.

ITALIAN, NORTH

The people who are natives of that portion of Italy north of the basin of the River Po in northern Italy, i.e., compartments of Piedmont, Liguria, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, South America, Europe, or other countries, should be classed as "Italian, north." Most of these people speak Gallo-Italic rather than Italian language.

ITALIAN, SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po, i.e., compartments of Tuscany, Umbria, the Marches, Lazio, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, should be classed as "Italian, south."

Column 11. *Last permanent residence.*—Actual organized political divisions of the world shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more shall be the last permanent residence regardless of the length of actual residence therein. The entries in column 11 should show the name of the city or town of last permanent residence. It is important to secure in all proper cases specific and accurately showing country of last permanent residence, rather than a general term, such as European, Asiatic, or country of birth, nationality, or race.

Column 12. *Last permanent residence in the United States.*—Aliens who are permanent residents of the United States and return from a visit abroad should be credited to the "United States."

Column 13. *Intended permanent residence in the United States.*—The answer to this question shall show the intended future permanent residence. An intended residence should not be stated permanent residence. The entry should be "yes" if the alien intends to establish permanent residence, or "no" if he intends to establish permanent residence within the United States, country to which he will finally go.

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend, and name and complete address.*—The answer should be "yes" or "no," as the case may be, and the name, relationship, and complete address of the relative or friend to whom the alien is going should be given.

Column 15. *Ever in the United States before? If so, when and where?*—The answer should be either Yes or No, as the case may be. If the answer is Yes, the year or period of years and place, as 1903, 1905, Pittsburgh.

Column 16. *Whether in possession of $50 and by whom furnished, and amount in each case.*—The answer should be either Yes or No, as the case may be. If the answer is Yes, the amount should be stated, as $50, $100, $200, etc. Money brought by the alien or family should be included in the answer. Money brought by the alien or family should be stated.

Column 18. *Whether ticket is through to destination.*—The answer should be either Yes or No, as the case may be. If the answer is No, the ticket should be examined to see if it is sold to destination, and if not, the amount necessary to complete the journey should be collected and the fact noted on the manifest.

Column 19. *Whether in possession of railroad ticket or other means to destination, and if so, by whom furnished.*—The answer should be either Yes or No, as the case may be. If the answer is Yes, the name of the railroad or other means should be stated, as railroad, steamship, automobile, etc.

Column 20. *Amount in possession, if less than $50.*—The answer should be the exact amount, if less than $50, as $40, $30, $20, $10, $5, $2, $1, or any other amount. Money brought by the alien or family should be included in the answer. Money brought by the alien or family should be stated.

Column 21. *Whether destined to join a relative and if so, name and address.*—The answer should be either Yes or No, as the case may be. If the answer is Yes, the name and address of the relative should be given.

Column 22. *Whether ever before rejected or deported, and if so, why.*—The answer should be either Yes or No, as the case may be. If the answer is Yes, the reason for rejection or deportation should be stated. However, if the answer to question 20 is "yes," it also has been the practice not to require an answer to question 22, and if the Secretary of Labor has authorized him to reapply for admission, the authority number to apply on should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2 *Head tax status*.—Steamship lines should make no entries in these columns. The inspector will properly complete these entries.

Column 3 *Age*.—The answer in this column should be expressed in years, the latter only if under 1 year of age.

Column 4 *Sex*.—The entry should be either M male or F female.

Column 5 *Married or single*.—The answer should be M married, S single, Wd widow, Wr widower, or D divorced.

Column 6 *Calling or occupation*.—The entry should describe as accurately as possible the occupation of each alien at port, as for example: Coal miner, stationary engineer, laborer, farmer, farm laborer, tailor, seamstress, milliner, waiter, cook, barber, hairdresser, clerk, etc., or if no occupation, "none" or "at home."

A distinction should be made between farmers and farm laborers, to use the terms of the census. If none, leave blank.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Second and third class passengers should make this distinction on the manifests, and corrections should be made where necessary by the inspector and reported to the steamship company before the passengers are landed.

Column 8 *Nationality of race*.—This column is provided to enable the Department of Labor to show what the nationality of exempts is claimed upon what ground. In answering this question the following should be stated. If aliens claim to be citizens of the United States they should state the fact and how such citizenship was acquired, whether by birth, naturalization, derivation through parents, or otherwise. If aliens claim to be subjects of any country, they should state the fact and of what country they claim to be subjects.

Column 9 *Nationality*.—Question 9 should be answered to mean the country to which alien owes allegiance.

Column 10 *Race or people*.—See list of races printed on back of manifest. The entry should show to what people each alien belongs.

Special attention should be paid to the distinction between race and the country to which he may owe allegiance. Thus a native of Ireland is a Celt, a native of Wales is a Welshman, a native of Scotland is a Scot, and natives of England are Anglo-Saxons, and so on. Particular attention is called to the fact that the word "English" is not to be used as descriptive of people, and, similarly, "French" appearing under the head of race or people is not sufficient. France is a country. An Irish, German, or Hebrew subject may be a native of France, but his race or people is not French, and he is not a native of England, Switzerland, or any other country. In determining the following rules should be carefully observed:

CUBAN

The term "Cuban" refers to the native white people and not Negroes.

WEST INDIAN

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

CENTRAL AMERICAN

Central American refers to the people of Central America, but not to Negroes.

AFRICAN (BLACK)

"African (black)" refers to the Negroes of Africa, and to the natives of the islands of the West Indies, North or South America, Europe, or Asia who are of the unmixed blood of the African Negro should be classed under this heading.

ITALIAN, NORTH

The people who are native to or who have come from that portion of Italy north of the Rivers Po, Tiber, and Arno, comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those districts of Tuscany lying north of the Arno and Tiber Rivers, including the communes of Pontremoli and Bagnone, should be classed as "Italian (north)." Natives of Switzerland speaking the Italian language should be classed as "Italian (north)." Most of these people speak the Ladin dialect of the Italian language.

ITALIAN, SOUTH

The people who are native to or have come from that portion of Italy south of the Rivers Po, Tiber, and Arno, comprising the provinces of Tuscany (except those districts mentioned under the head of Italian, north), the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies, should be classed as "Italian (south)."

Column 11 *Date of previous residence*.—A total of one year's actual residence during the last five years shall constitute permanent residence. The fact that an alien resided in the United States for a period of less than one year shall not be deemed permanent residence although the intention may have been to remain for a longer period. It is important for the proper determination of the question of permanent residence that the date of the last previous entry into the United States be correctly stated. Where there have been several entries, the date of the first entry should be given.

Column 12 *Last permanent residence*.—Answer should be given only when the person to be admitted claims to have had a permanent residence in the United States and is returning to the United States after a temporary absence. The country of last permanent residence should be stated.

Column 13 *Whether going to join relative or friend, and name and complete address*.—The entry should show definitely by whom passage was paid, and whether the alien has relatives or friends in the United States to whom he is going. Mere general statements, such as "Self," "Friends," "Employment," are insufficient. Money brought by the head of a family should not be described as "Own money" or "Family money."

Column 14 *Whether ever before in the United States, and if so, when and where*.—The entries should show whether the alien has been in the United States before and if so the year or period of years and place, as "1907, Philadelphia."

Column 15 *Whether having a ticket through to final destination, and whether any money is furnished, and by whom*.—The answer should show whether the alien has a ticket to his destination, and by whom the money was furnished, as "Self," "Father," "Employer," etc.

Columns 20 to 23.—The questions in these columns are self-explanatory, and the answers like all others in the list are subject to verification by the examining officers. However, in answering question 23, if an alien has been previously excluded and the Secretary of Labor has authorized him to reapply for admission, the authority for such application should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E.W. NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. KROL MASTER (State whether Master, First, or Second Officer), of the R YNDAM, from ROTTERDAM, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, ..., Surgeon of the Ryndam, ..., do
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)
solemnly, sincerely, and truly ..... that I have had ..... years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of .....
....., and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, ... in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. KROL MASTER (State whether Master, First, or Second Officer), of the RYNDAM, from ROTTERDAM, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W Krol

MASTER ~~Officer~~.

Sworn to before me this 15 day of NOVEMBER, 19 20

at NEW YORK N.Y.

P. Cowen

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

332

AFFIDAVIT OF SURGEON

I, E.W. FINN, Surgeon of the RYNDAM, SAILING THEREWITH (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly SWEAR that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of HARVARD MEDICAL SCHOOL BOSTON MASS. , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Edward W Finn

Sworn to before me this 26 day of NOVEMBER, 1920

at NEW YORK N.Y.

P. Cowen

Jr. Insp.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

607

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. KROL MASTER (State whether Master, First, or Second Officer), of the RYNDAM, from ROTTERDAM, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E. W. FINN, Surgeon of the KYNDAM, SAILING THEREFROM, do solemnly, sincerely, and truly SWEAR that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of HARVARD MEDICAL SCHOOL BOSTON MASS., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 4 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.
